

## A Very Proud Announcement

March 15, 2016

Recently, the crew from Regal Fabric Care helped folks at the Boston Ronald McDonald House to preserve and maintain the carpeted areas of their Brookline, MA location. David Mavilio, owner of Regal Fabric Care wants to let everyone know of the fantastic work the staff does to help families in need.

David Mavilio

*"It is indeed our pleasure to help the Ronald McDonald House in the best way we know how-Providing the cleanest living space possible"*

*"Many families travel far from home and spend several weeks or months to get treatment for their seriously ill or injured children – a long time to be away or to divide a family. And, for children facing a serious medical crisis, nothing seems scarier than not having mom and dad close by for love and support. A Ronald McDonald House is that "home-away-from-home" for families so they can stay close by their hospitalized child at little or no cost."*
